

Robert P. Brosseau, FCSI

*“In recognition of your enthusiastic leadership within your Region, for fostering educational programs at college and university levels, and for your devotion and service to the Institute as Director, you are advanced posthumously to Fellowship in the Institute on this 20th day of June, 1982.”
Atlanta, Georgia*

ROBERT P. BROSSEAU was born in 1923. He was a resident of Woodland Park, MD and was associated with the C. C. Murphy Co., Baltimore, as a sales and service representative for construction materials.

Brosseau joined the Baltimore Chapter as an industry member in February 1967 and served his chapter as a Board member, member and chairman of a number of committees, Vice-President and President. He was also active in Middle Atlantic Region affairs of the Institute and served as chairman of several region conferences and speaker at a number of them.

Brosseau was elected Middle Atlantic Region director in 1979. He also was a member of the Institute's Ad Hoc Committee for Office Development, charged with

responsibility for developing and implementing plans for the Institute's headquarters building in Alexandria, VA.

He was the recipient of a number of chapter awards and received the Institute President's Plaque in 1981.

Robert Brosseau was also deeply involved in promoting education courses at college and university levels for construction specifications. Through his efforts the Catonsville Community College in Baltimore County established two 3-hour credit courses for construction specification writing in 1980.

The Institute Board meeting in Atlanta, Georgia, June 16, 1982, approved the establishment of the Robert P. Brosseau Memorial Award as a part of the on-going Institute Awards Program. The award is designed to recognize the outstanding service of an Industry member of the Institute.
