

Craig K. Haney, FCSI

“In recognition of your distinguished and continuing service to the Institute through your outstanding participation and leadership by accepting and fulfilling many positions within CSI and your improvement of specifications through education, exemplified through your publications, lectures, seminars, and study sessions, you are advanced to Fellowship in the Institute on this 27th day of June 1992.”
Atlanta, Georgia

CRAIG K. HANEY was born in Denver, Colorado in 1952. He attended Pikes Peak Community College in Colorado Springs studying architectural technology during 1971-1973.

He was president of As Specified, Inc., from 1979 to 1983, after which he became Vice-President and Director of Resources for HMBH Architects from 1983 to 1988.

In 1988 he became a principal of IntroSpec, a firm specializing in architectural specifications and construction technology.
