

Robert W. Johnson, FCSI

“In recognition of your notable contributions to improving the art of specifying, through your dedicated participation in the development of Spec Text, and your continued contribution to the industry through the authorship of numerous articles, you are advanced to Fellowship in the Institute on the 20th day of June 1982.”
city, state

ROBERT W. JOHNSON was born in 1939 at Omaha, Nebraska. He attended Washington University at St. Louis and received a BS degree in Architecture from that institution.

Johnson joined the Denver CSI Chapter in 1969 and served that Chapter in many capacities including Vice-President and President. At the Region level he was a frequent speaker in technical forums.

At the Institute level he served as Region Director, Vice-President, Secretary, and President. He is a registered architect in Colorado and his career in the construction industry encompasses positions in several areas:

- Associate University Architect, University of Colorado;
- State of Colorado, Architectural Coordinator;
- Supervisor of Facility Planning, St. Vrain Valley Schools, Longmont, Colorado;
- Project Manager, Graham Construction Co., Denver;
- Vice President, Specifications Consultants, Inc., Colorado;
- Chief of Specifications, DMJM, Los Angeles;
- Principal, CHK Architects & Planners, Inc., Silver Springs, Maryland;
- Vice-President, RTKL Associates, Baltimore
